be made under the 8th Plan of Adjustment.

E.D. MICHIGAN-DETROIT

I object to any distributions to made until the disputes are settled in court. I and other retirees objected to the state and federal unconstitutional- ity of seizing parts of our pension and annuity. When we prevail, we will prevail for all ^{City} pensioners, not just the current litigants.

I contest the plan is bad, an abuse of our civil liberties, is not fair, and is not feasible. Do not allow distributions to begin or if begun, to continue, until our cases appealing the ^{plan} confirmation, are heard and ruled on. The court is ~~very~~ prejudiced toward the city's

argument of mootness (and non-teness)
by distributing all the candy
from the store before, the
cases have been heard
